

Kentucky Perinatal Quality Collaborative

KyPQC BULLETIN

The KyPQC wishes you and yours a
safe, healthy, and happy
new year!

Resource FindHelpNowKY.org

The FindHelpNowKY.org website was created to provide near-real-time substance use disorder treatment openings in less than two minutes for those in need and to enhance clinical workflow. This website has several resources for providers and patients, including pregnant and parenting patients. To view these resources, click the box below.

COVID-19 and Pregnancy

The KyPQC held a special webinar in December featuring Dr. Sara Petruska, general obstetrician-gynecologist with the University of Louisville, and Dr. John O'Brien, Maternal-Fetal Medicine Specialist with the University of Kentucky, who presented on COVID-19 vaccination during pregnancy. Click below to view a recording of the webinar.

KyPQC Next Steps

- The KyPQC is planning virtual meetings with each of the pilot sites to ensure tailored guidance for each hospital's launch of KyPQC First Initiatives.
- The final evaluation report from the 2021 KyPQC Annual Meeting will be posted to the KyPQC website in the coming weeks.
- To view past KyPQC webinars for nursing contact hours, log in to [TRAIN](#) and search for "KyPQC."
