

# Kentucky Perinatal Quality Collaborative

## KyPQC BULLETIN

The KyPQC wishes everyone  
health, prosperity, and happiness  
in the year to come!

### AIM TAP Webinars

All members of the KyPQC are invited to participate in AIM Technical Assistance Presentation (TAP) webinars. TAP webinars are held twice monthly and provide support for the implementation of AIM Safety Bundles in the clinical setting. Click below to access the AIM calendar of events to learn more and to register.

## KyPQC Next Steps

- We are onboarding facilities participating in the second cohort of KyPQC First Initiatives this January and February 2023.
- The Maternal Mortality Task Force meets quarterly to discuss opportunities to implement recommendations from the Maternal Mortality Review Committee. Please email [kypqc@ky.gov](mailto:kypqc@ky.gov) if you are interested in volunteering.
- KyPQC workgroups are developing next steps for KyPQC First Initiatives.
